Paula,

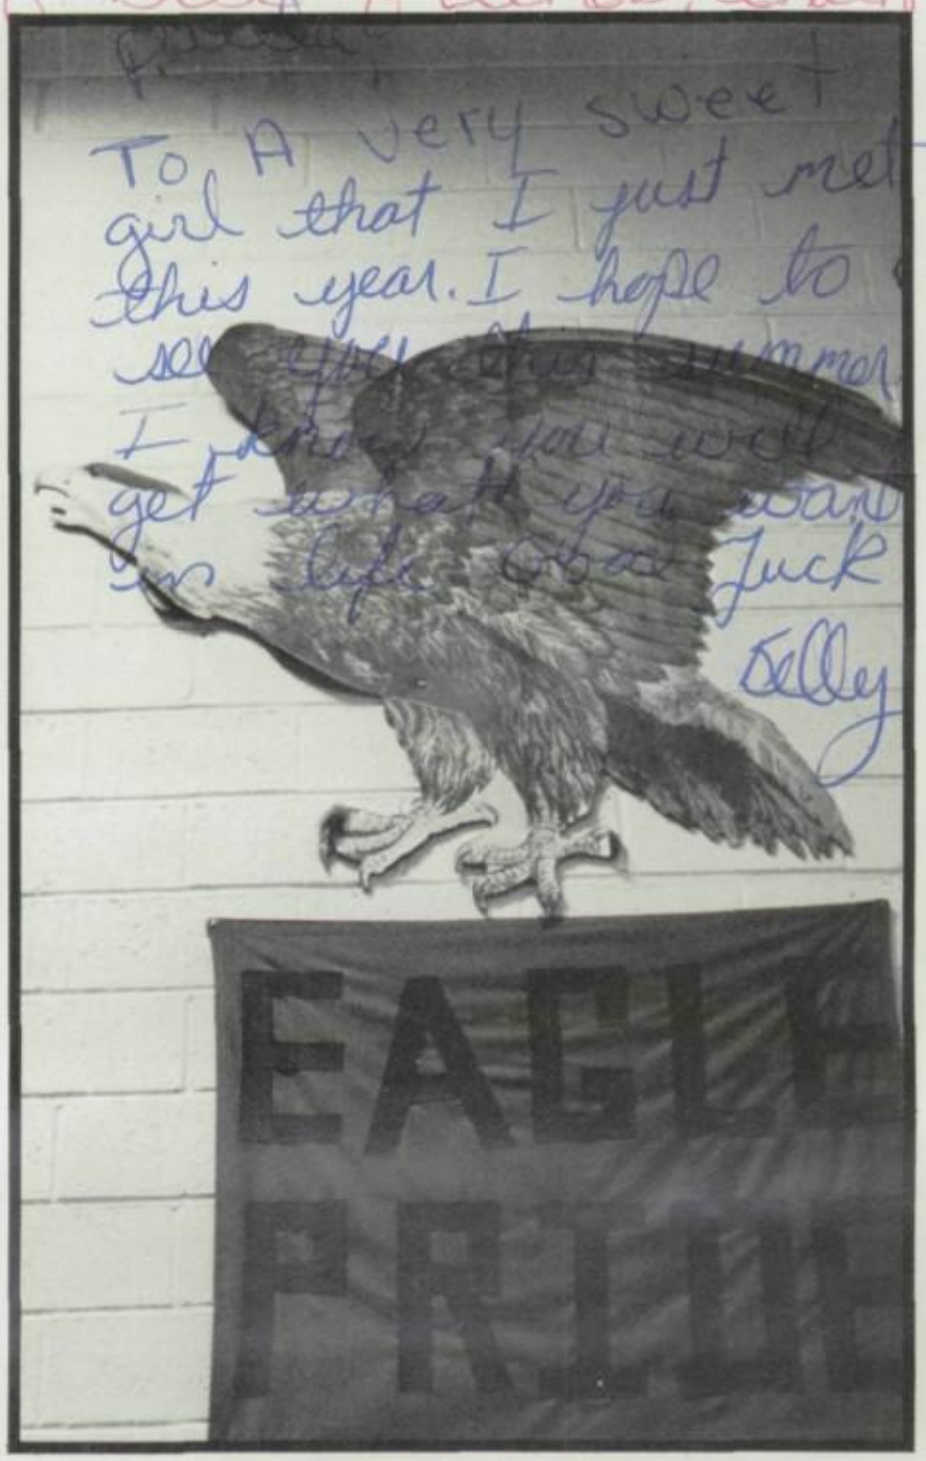
You say I'm your best friend but when you think of it you have a lot of best friends.

When it comes to guys you have a couple of best friends: example: Let,



pride (prīd), n.
1. The quality or state of being proud. **2.** Justifiable self-respect. **3.** Delight in one's position, accomplishments and achievements.

Mark, Eric, Jerry etc. They are all best friends too. You say you are close to them, then they are considered best friends.

Melody considers you her best friend and she probably is. Same with Darlene and all your other friends who are close to you.

We are best friends but what I'm

The Board of Education is made up of nine members whose purpose is to represent the district's taxpayers and establish the policies that each year guide the Beekmantown school district. The members, pictured here, meet in regular session once a month and, in addition, spend many hours at committee meetings, hearings, conferences, and school activities. Board members not only have responsibility for making general school policy, but they also carefully examine each year's school budget, trying to provide Beekmantown students with the best possible education which can be afforded by the taxpayers of the school district. The policies they make are then carried out by the superintendent Dr. Saunders with the help of the business manager and the individual building principals.

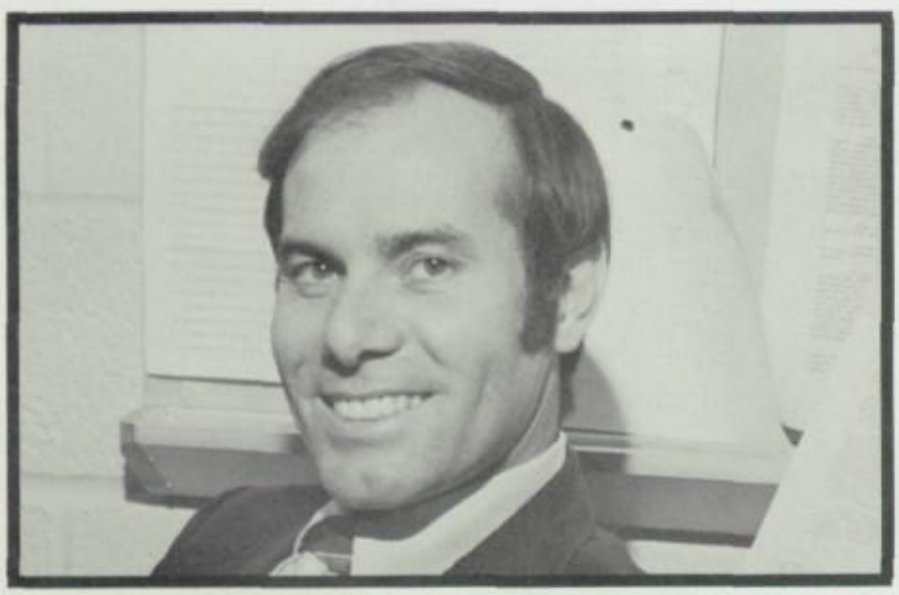
student services



Ever had a problem? Needed someone just to talk to, or to be reassured about something? These are the people you can always count on to never let you down! They lend their interest and give their time to help students pass over any obstacles they may encounter, whether the obstacles concern school or family. These people play a very important role in getting everyone through their junior and senior high school career.

A fundamental knowledge of scientific concepts is essential for everyone. The science courses offered at Beekmantown present an interesting challenge to anyone wishing to better understand their physical environment. These science courses cover a variety of interests ranging from general science to physics. No matter which course a student decides to take, he is sure to find it enjoyable and worthwhile.

Paula,
Im really glad I got to know you this year. I think I got to know you alot better this year and I hope we can be friends throughout High school. social studies

Social Studies courses are about people. How they live, why they do what they do, how they are alike, how they are different. In a country such as the United States, where people are free to fail as well as to succeed, an understanding of the government and the conomy, knowledge about jobs, taxes, insurance, buying goods, joining labor unions, dealing with family members and businessmen and politicians, necessary for anyone who hopes to survive. From the required courses to the many electives, including Decision Making, Sociology, Canadian Studies, Behavioral Science, Economic Issues, the Social Studies teachers try to prepare their students to not only survive, but to succeed, in the world that waits after high school.

mathematics

The Beekmantown math department offers a variety of courses from functional Consumer Math to theoretical Calculus. Though one of the smallest departments, the teachers give their all to help everyone whether it's by staying after school or providing extra help during class. Recognition should be given to these teachers who get students through class after class, exam after exam, and Regents after Regents.

"There is an art of reading, as well as an art of thinking, and an art of writing." Disraeli

The English Department has perhaps the hardest task of all - to teach students first to read, then to think about what they read, and then to write about what they think. The knowledge these teachers provide enables students to cope with their everyday lives while at the same time serving as a springboard to enlightenment. What more can any teacher do?

BOCES is an excellent opportunity available to Beekmantown students. It offers the training in special skills that may determine an individual's career choice and give him or her a head start on the competition. Courses in printing, cosmetology, electricity, auto mechanics, child care, carpentry, welding and others provide training in some of the most popular, and best paying, career fields for high school graduates. For the students, it makes for a long day, but the graduates would agree, in today's job market, it's worth it!

This year the Eagle Mart, in an effort to better serve its customers, expanded both its produce line and business hours. To this end it, opened two days before school began in September, the halftime of varsity football games and Parents' Night. Manned by Student Council members and interested students, the store has become so successful that it is quickly outgrowing its present quarters and will soon move to a larger facility.

student council

The Student Council is one of the most active student organizations at B.C.S. A young executive council has energetically undertaken many new projects this year to increase student services. An example of this is the institution this year of a morning closed circuit radio show featuring a student DJ. WBCS has become the high point of the breakfast and homeroom periods. Also new this year is the Badge-a-mint button maker. Spirit buttons and buttons for clubs and organizations are made by Council members at a low cost. The sixth grade utilized it to help raise money for their Olympic trip.

Movie Nights, the magazine drive, Homecoming and Winter Weekend continued high on the list of Council priorities and all were upgraded this year to improve the students' School spirit. The hard working faculty advisor of the council is Mr. Hulbert.

Clockwise From Top: The freshman float; juniors put finishing touches to float; the court from left Patty Lemieux, Sandy Clifford, Queen Lisa Light, Sharyl Peryer, Connie Myers; Jodi LaPlante as cowgirl; Queen Lisa rides in homecoming parade; the winning senior float.

wild, wild, west

A cold, rainy morning gave way to a sunny bright afternoon for Homecoming '79. The theme of this year's Homecoming was the Wild West. The week-end got started with spirit week and culminated with a pep rally Friday afternoon. At the pep rally, the homecoming court was announced. Lisa Light had been voted queen and her court consisted of Sandy Clifford, Patty Lemieux, Connie Myers, and Sharyl Peryer. The school was decorated by the Student Council and was turned into Beekmantown's version of Dodge City. The "main event" was Saturday afternoon when the high flying football team went against the aspiring Ausable alley Patriots. With the strength and grace of an eagle, the team shut out the Pats in an awesome defensive and offensive display. At half-time the parade of Floats was led by the band and trailed by the Homecoming Court. The seniors swept the float, poster, and skit contests with their representation of the Eagle Branch Saloon. The day was topped off by a victory dance featuring the band "Destiny". The entire school population agreed that Homecoming '79 was the best ever.

This year, as always, the staff members of the 1980 Crest have put all their energy into creating a yearbook unlike any other. The staff and advisor of the yearbook are confident that they have come up with another outstanding and high quality Crest.

This year's staff was led by Layouts Editors Rita James and Tracy Masters, General Copy Editor Linda Gove, Senior Copy Editor Julie Corron, Photography Editor Julie Masters, Business Manager Mona Bedard, Sales Manager Sharyl Peryer, and Advertizing Editor Megan O'Connell. Their separate jobs included the taking and laying out of photos, selling, advertising, writing copy, designing pages, and various other jobs which have to be done before the book can be sent to the publisher. Although the count is not yet official, there is little doubt that this year's high sale's person was Mona Bedard.

Special thanks goes to Mr. Sherman, the advisor, whose sole concern was to produce the best Crest possible for the students and faculty of Beekmantown.

National Merit Semi Finalist Julie Corron

As always, Beekmantown was fortunate enough to have several outstanding Scholars in the Senior class. Four of these students, Julie Corron, Julie Milrons, David Parker, and Brab Recor had an opportunity to demonstrate their scholastic ability on the locally televised "Scholars for Dollars" program. The competition was really stiff as the panelists had to face the defending champion M.A.I. in the first round. Often beat to the buzzer by mili-seconds, Beekmantown was defeated but they had put up a good fight in the first round. The team was awarded scholarship money as a consolation prize. Team alternates included Mona Bedard, Doreen Curtin, Mike Gregoire, and Alan Tousignant. Michael Bell acted as spokesman and Mrs. Allen served as faculty advisor. All are to be congratulated for their fine effort.

national honor society

The National Honor Society is an organization of students from all over the country who have demonstrated exceptional qualities of character, scholarship, leadership and service. This year, Beekmantown ahd thirteen hard working seniors inducted into the National Honor Society. It is truly an honor for these students to belong to this national organization. The officers were David Parker, president; Doreen Curtin, vice-president; Lisa Light, secretary-treasurer; Barb Recor, student Council representative. Mr. Dailey is the faculty advisor. This year, in an effort to help finance their activities, the Society sponsored a Spaghetti Dinner which proved to be a huge success. Under the supervision of Mrs. Rivers, they provided a good meal in a festive setting.

the music makers

Director Mr. Davies

Thanks to the relentless efforts of Mr. Davies, this year's senior band met with tremendous success. Their presence was especially appreciated during the Beekmantown-Carthage football game where they marched onto the field during half-time and entertained spectators as well as television viewers of the game. In addition to their support at pep rallies and football games, the band presented two public concerts during the school year. The traditional Christmas concert drew a large appreciative audience, and the Spring concert was equally entertaining and successful. The annual fruit drive was very successful this year and has brought the band closer to the day when the band can purchase new uniforms for all members. Special thanks should be given to director Mr. Davies and also Mrs. Martin. Without their outstanding efforts, the band could have never been so successful.

This year's chorus added new dimensions to the music program at Beekmantown. Some of it's members are extremely talented and have great potential. Young and inexperienced voices are nothing new to Mr. Davies and he had done a fine job of training and conducting them. They performed during the Christmas Concert and received a fine round of applause. They performed well at the Spring Concert and are looking forward to next year.

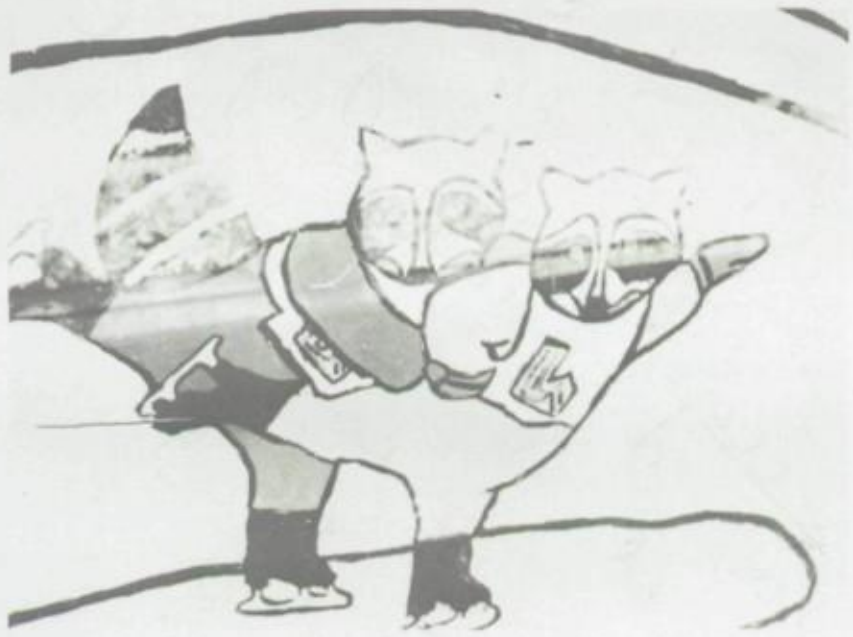
Clockwise from left: Winter Weekend Dance with King and Queen Mike Sears and Lisa Light; eighth grade skier; Donna and Mike, beat the clock winners; Senior window painting; Andy and Kathy participating in the "Life Saver's Game"; more of the Senior's window painting.

The theme of this year's Winter Weekend was the Winter Olympics. The lack of snow did not dampen the spirits as new games served to really liven up the day. The Life Saver Game, Three-Legged Race, Beat The Clock, and an updated version of Blind Man's Bluff all added to class and crowd participation while the Tug-O-War and Hoop Shoot remained as old favorites.

Though the Seniors won total points with a first in the booth contest and second place in the window painting, the sophomores made an amazing show of strength as they easily won the Tug-O-War and were victorious in the window painting.

Capping the Weekend was the Snow Ball Saturday evening featuring the band "Destiny". This dance was a very special one as shown by the amount of decorating done by the Student Council. A chandelier and cascading balloons contributed to the festive atmosphere. The highlight



of the dance was the announcement of Winter Weekend King and Queen and their respective courts. King was Mike Sears and Queen, Lisa Light. Girl's court consisted of Mary Carlin, Sandy Clifford, Connie Myers and Megan O'Connell. Boy's Court included Joe Burl, Bob Burnell, Bill Turner, and Jeff Van Weort.

Student Council is once again to be congratulated on its fine handling of this fun filled weekend.

seniors present "the clumsy custard horror show" (etc,etc)

The class of 1980 presented the annual senior play on the evenings of April 24 and 26. This year's play was the comedy "The Clumsy Custard Horror Show and Ice Cream Clone Review". Mr. Waugh was faculty advisor and director.

"The Clumsy Custard Horror Show" is a comic fairy tale set in the magical kingdom of Zob. The story revolves around Princess Prince's search for a husband and Swashbuch Valpariso's wooing of her. But, the evil Dacron with his equally evil Ice Cream Clones tries to foil their plans.

the year of the eagles!

It was, most people agreed, one of the strongest football teams in the north country in more than a decade. And who could argue? Undefeated in regular season play; winners of the first north country Super Bowl against a big Carthage team which had dominated play in section ten; 327 total points scored in nine games.

After three seasons of sharing the championship with someone else, or finishing second, the Eagles finally ran away with one. The big, fast, skillful team dominated the Champlain Valley League from the first game with Ticonderoga to the final section matchup with Carthage. Along the way scores of 38-0, 32-8, 35-0, 41-0, 45-0, and a sweet 60-0, trouncing of arch rival Plattsburgh High, provided local fans with some of the most awesome high school heroics ever seen in the area. Only the well prepared and determined Peru team managed to give the Eagles any competition at all as the two teams battled to a 7-7 tie on a muddy field.

The 1979 team had everything. Plenty of excellent runners in Bob Burnell, Roger Desroches and Jon Seabron, a gifted quarterback in Andy Light and surprisingly good pass receivers gave the Eagles a balanced attack which frustrated all attempts to contain it. Beekmantown's defense was no less impressive. Five teams were unable to score at all against it; those teams that did, managed only 39 points between them. Area sports writers were so impressed with the team that six Beekmantown players were named to the *Press Republican* "first team" offensive squad, and six more to the "first team" defensive squad. They were: offense, Bob Burnell (kicker), Roger Desroches (running back), Bryan Foster (end), Mike Sears (tackle), Mike Gregoire (guard), and Ray Myers (center). Defense, Terry Brown (tackle), Bob Burnell (nose-guard), Joe Burl (punter), Bryan Foster (deep back), Mike Gregoire (linebacker), and Mike Sears (end).

Burnell and Desroches were incredible. Leading the league in scoring and yardage, they provided Beekmantown with the most devasting running attack anyone in the league could remember. Joe Burl's catches drew more than one double-take from spectators, and other players, as time after time he snared passes, as if by magic, out of the sky with his fingertips. As the 1980 team begins its training this spring, team members know they have a tough act to follow.

junior eagle's win 6, lose 2

The junior varsity football team, led by sophomore quarterback Scott Luck, finished its season with a 6-2 record. The "little" Eagles had an undefeated season until they came up against two other undefeated teams, Plattsburgh and Peru, losing these games by a total of eight points. The junior varsity squad finished third in the CVAC standings.

The team had two shut-outs; St. John's was beaten 23-0 and Ausable Valley, 35-0. Some of the outstanding players were: Kenny Bordeau, Eddie Castine, Sam Dyer, Randy LaBarge, Steve LaBarge, Scott Luck, and John Miller. Many freshmen and sophomores gained valuable playing experience which will help them in varsity play next year.

ROW ONE: Steve Jewell, David Seymour, Mark Brown, Joe Myers, Scott Dominy, Gerry Carlin, Mike LaJoy. cheerleaders

The 79-80 cheerleading squad showed more determination, leadership, and dedication, along with a great deal of skill, than has ever been shown before. These girls led the crowd in cheers through a first rate football season and halped boost sagging spirits during basketball season.

With the help of their advisor, Mrs. Leighty, these girls created two excellent pom-pom routines that were performed during half-time of basketball games. One of the routines was performed to the theme song of "The Main Event" the other, also performed by the Junior Varsity squad, was to the song "Shake Your Grove Thing" by Peaches and Herb.

The seniors who cheered their last year are: Laura Brown, Patty Lemieux, Sharyl Peryer, Faith Rock, and Laurie St. Louis.

Although the Junior Varsity squad cheers only during basketball season, they put as much effort and dedication into their cheering as the Varsity. The squad put alot of spirit and enthusiasm into their cheers and has excelled in leading the crowd during the JV games.

The squad made up a half-time routine to be performed during the season to the song "Dim All the Lights" by Donna Summer. The JV's also joined the varsity squad during the "Shake Your Groove Thing" routine.

The varsity can look forward to having the following sophomores on its squad next year: Mary Jo Boslet, Cheryl Burnell, Tammy Duquette, Laureen LaValley, and Carolyn Parker.

once again, champs in the cvac

The Varsity Field Hockey team had a very good season. Under the excellent coaching of Mrs. Denny, the team ended seasonal play with a 4-2 record and an overall record of 5-3. This team won the CVAC championship and placed second in the sectionals. The year's team had a lot to be proud of. The graduating seniors are: Laura Brown, Barb Recor, Arleen Reyell, Faith Rock, Penny Rock, and Laurie St. Louis. The co-captains, also seniors, were Marcie Castine and Lisa Light.

ROW ONE: Jackie Duquette, Arleen Reyell, Mary LaValley, Barb Recor, Lisa Light, Laura Brown, Laurie St.Louis, Tracy Colvard.

The Junior Varsity Field Hockey team also had a very successful season. They finished with a 4-2 record and placed first in their league. With the help of their already experienced players and the excellent coaching of Mrs. Debbie Apel, they had a rewarding and successful season. Everyone is looking forward to next year and another first place championship. The co-captains were Darlene Barber and Cheyl Burnell.

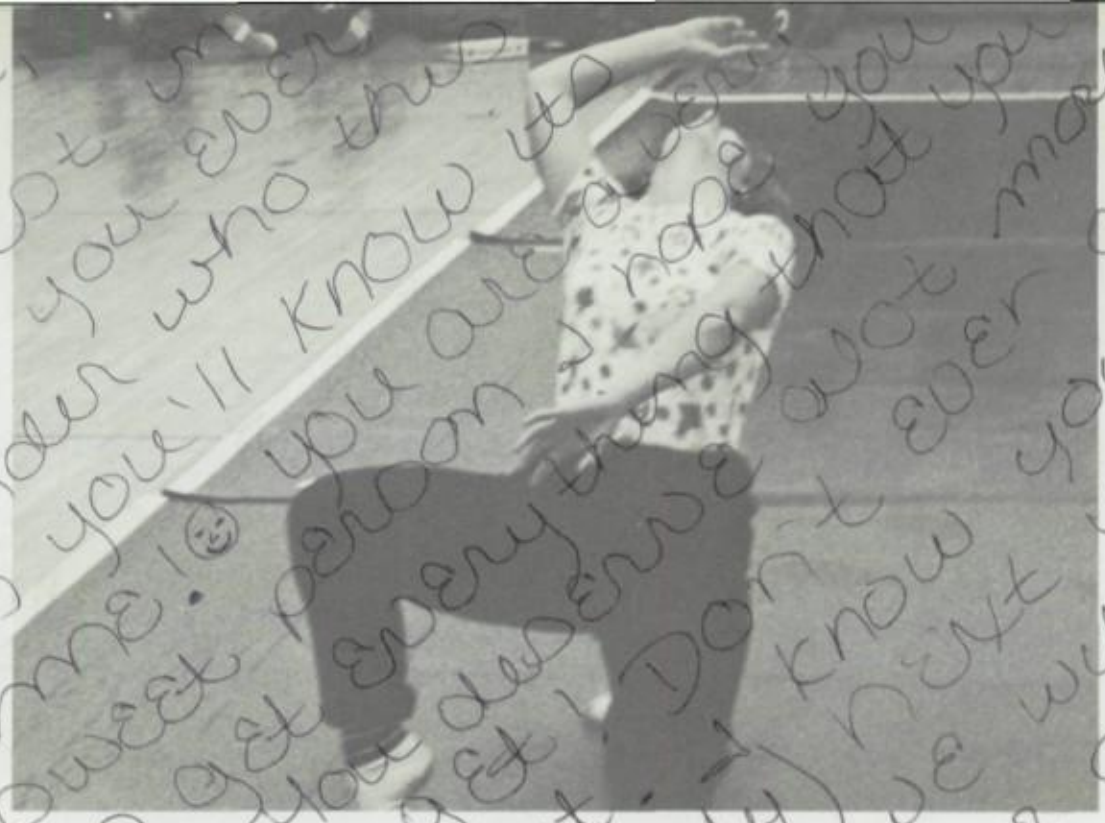
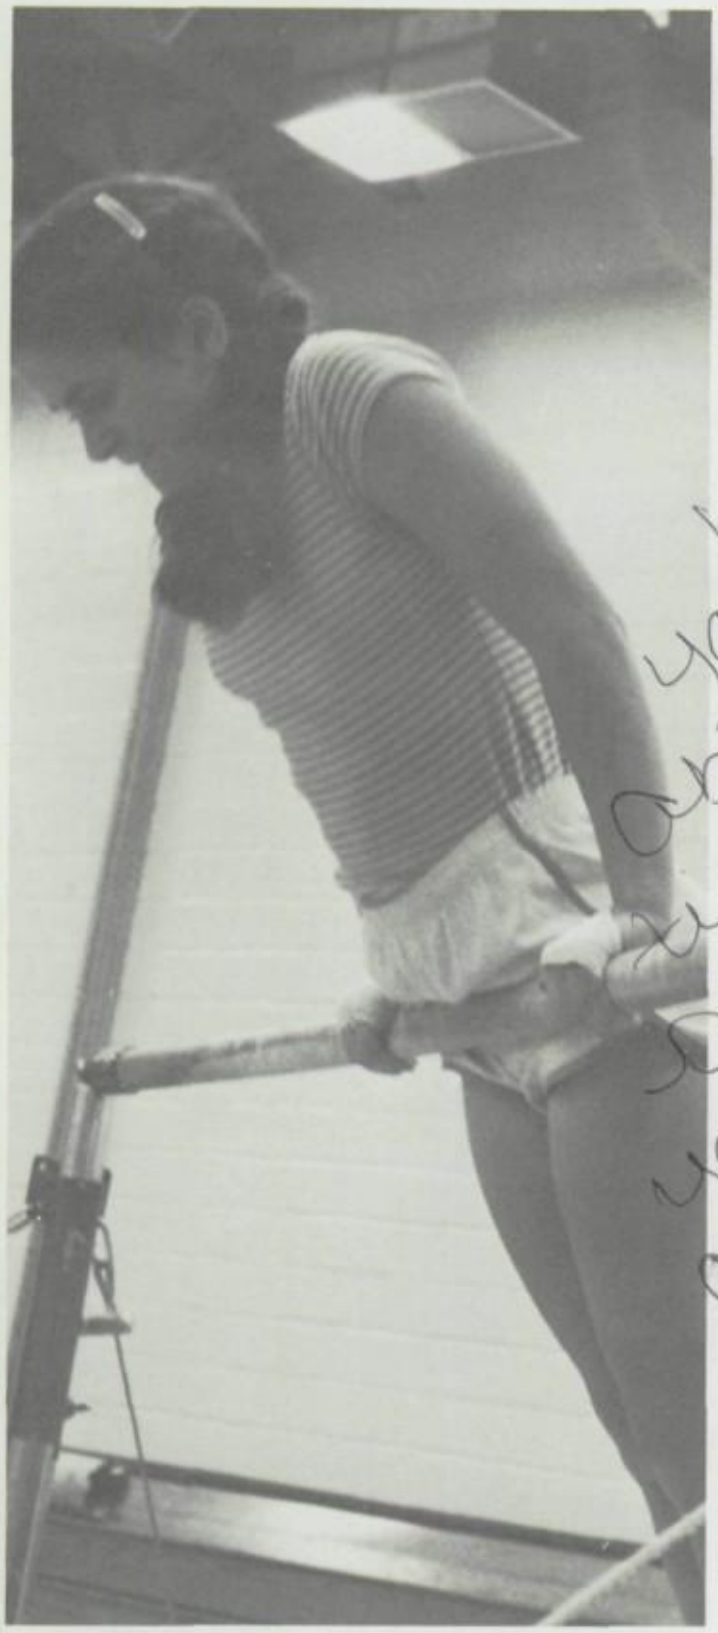
cross country team finishes third

The 1979 Cross Country team had a very successful year under the fine coaching of Ken Andrews. The boys' team finished with a 8-5 record and took third place in both the CVAC race and the sectionals. The girls team, with a record of 9-4, also had an excellent season, finishing third in the CVAC championship race and second at the sectional meet. This strong girl's team upset PHS and St. John's, who were pre-season favorites. The girl's and boy's teams each had three members finish in the top ten runners at the CVAC championship race. Seven members of this strong Cross Country team qualified for the state meet in Syracuse. Top runners for the boys included Steve Sherman, Craig Daniels, and Mark Peck. Hardworking seventh graders Tony Garrant and Ron Garrow offer great promise for future seasons. The girls team also promises to be strong in future seasons with returning top runners Terri Nelson, Kim Norris, and Linda Wild.





gymnastics

Gymnastics, still a relatively new sport at Beekmantown, was fortunate enough to have twenty-five hardworking athletes this year. Several promising gymnasts emerged despite the fact that the team was young and inexperienced. In fact, team captain Mary Carlin, a junior, was the oldest member. Roberta Gluck was perhaps the best all-around gymnast on the team, placing fourth in vaulting at the section seven sectionals. Although the gymnastics team did not have a winning season this year, their dedication and enthusiasm is sure to help them improve. With the encouragement of coach Leighty, these girls can't help but shine through next year.

ROW ONE: Jill St. John, Brenda Trombley, Roberta Gluck, Hope Miller, Tracey Gardner, Lorene LaValley, Kim Branham. ROW TWO: Mary LaVigne, Kim Schuler, Amy Ryan, Patti Conroy, Mary Nunn, Brenda Evans, Shelly Thew, Cindy Lavarnway. ROW THREE: Jody Fessette, Yvonne Fresn, Connie Remchuck, Anne Crosby, Darlene McPherson, Christie LaVarnway, Kelly Clark, Emily Janendo, Tammy Duquette, Beth Ducatte, Michelle Manor, Mary Carlin, Shelly St. John.

basketball: not exactly a season to remember

It was a frustrating season for Coach Davey and his tiny squad of varsity basketball players. After dominating fall sports, Beekmantown found itself at the bottom of the heap during the 1979-80 basketball season. The team finished its schedule with a league record of one win and fourteen losses (and a total record of one and nineteen). The team's only victory came at the mid-point of the season when the Varsity beat Northeastern Clinton by six points.

The individual stories were more heartening. Senior co-captain Bill Leege came into his own as the season progressed, scoring 26 and 16 points in the two games against P.H.S. Leege also finished as one of the top ten scorers in the CVAC, averaging 14.3 points a game. Senior co-captain Jon Seabron also improved as the season went on as he saw more and more playing time.

Optimism runs high for next year with returning juniors Steve Myers, Glenn Rascoe, and Jeff Van Woert along with sophomores Todd Dupell and Randy LaBarge. Each of these players picked up valuable experience and had some outstanding individual games. With a more experienced ball club we can expect a winning season next year.

jv girls tie for first in touch cvac

The junior varsity girls' basketball team had a successful year. Though the team was somewhat inexperienced, their ability to anticipate and react brought these girls the glory of victory.

The team ended it's season in a tie for first place in their division. In a game with MAI to determine which team would go to the league championship to represent their school, the Eagles defeated MAI they went on to play Moriah in the finals. In a hotly contested match, the Eagles had a lead going into the third period, and then with thirty seconds left in the game the score was 38-37 in favor of Beekmantown but as the final buzzer went off, the score was 39-38, with Moriah on top. This was definitely one of the most exciting and well played games of the season.

Sophomore Erin Casey is a promising player for the next year, as Sophomores Darlene Barber, Chrissy Blamey, and Jill Shelters move up to the Varsity squad.

More than halfway through the regular season, the Varsity Girl's Basketball team is experiencing very trying times. This team is young and realtively inexperienced having lost many outstanding players to graduation in 1979. However, what really counts this year is the team's great amoung of spirit which is almost as important as their record. And as Coach Haley puts it, "the team is much better than their record shows."

Team Captains are Lisa Light and Marcie Castine, the only two seniors on the squad. High scorers this year are Jackie Duquette and Karen Howell, who are both outstanding rebounders.

PHOTOS CLOCKWISE from above: The Team; Enn Casey makes two points; Bev Varin passes beyond the out-stretched arms of a St. John's player.

a season of ups and downs for the junior varsity

The J.V. basketball team finished its season with a record of three wins and twelve losses. The team had a season of ups and downs showing tremendous promise and progress in one outing and then reverting to earlier mistakes in the next game.

The team's last victory came in the final game of the season as the Eagles upset the M.A.I. Mounties by a score of 53-39. One of the most exciting games of the season, however, was against St. Johns, in which Gerald Danussi's game saving basket sent the game into overtime and double overtime, with the "little Eagles" eventually losing to the powerful Irish team.

Sophomores John Miller, who led the team in scoring, Ed Castine, Gerry Carlin, and co-captains Ronnie Bishop and Gerald Danussi represented the starting line up for the Eagles. Although this was a powerful starting five, sophomore Ken Bordeau with freshmen Paul LaRock and Joe Myers and eighth grader Steve LaBarge also played prominent role in reserve positions and were used often.

Individual progress was considerable and the experience these players gained will be of great benefit to the basketball program in the next few years. Everyone can look forward to a much improved season next year.

rough season for skaters as league competition stiffens

Though the hockey team had a disappointing record with only three victories and a tie against twelve losses, they none the less demonstrated outstanding determination and ability throughout the season. Their teamwork clearly showed their dedication and skill. Tracey Turner, who was high scorer, Andy Light, Jay Rigsbee, Tim Wells, and goalie Mark Turner consistently demonstrated fine playing ability. Their coach, Kim Wescott deserved to be proud of this hockey team.

High Roller
John Munson

The 1980 Eagle Bowling Team finished its season on a high note. The girls finished third in the Sectionals with Junior Tina Wood earning a trip to the State Meet on Long Island in March. The boys were led by seventh grader John Munson who averaged 175 and had the second highest average in the league.

Seniors this year were Debbie Bell, Sharyl Peryer, Jim Brown, Roger Case and Alan Tousignant.

wrestlers have disappointing record but have three section champs

The 79-80 wrestling team ended its regular season with a record of 2-6. In their best wrestling match of the season, the Eagles shut out the MAI Mounties by a score of 61-0. This team had many outstanding individuals, including Scott Dominy who took first in his weight class at a J.V. tournament held at MAI. In a Varsity tournament, held at NAC, Terry Brown took first place for his 215 pound weight class.

Though the team's regular season record was unimpressive, the team made an outstanding showing at the sectionals. The Eagles sent three team members: Terry Brown (215), Craig Daniels (126), and Todd Desrocher (132) to the meet in Peru. All three of these outstanding wrestling were rewarded for their hard work and determination winning their respective weight classes. As this yearbook goes to press, the three are heading to Syracuse to represent Beekmantown in the State finals.

The graduating seniors are: Terry Brown, Larry Carter, Colin Fountain, Kevin Menard, Ron Rock, and Steve Sherman, and Todd Desrocher.

softball

The 1979 Varsity and Junior Varsity softball teams won some important games and had a good season last spring.

The Varsity team's most exciting game came against MAI when the undefeated Mounties suffered a loss at the hands of the fired up Eagles. This major defeat was MAI's only loss all season. Outstanding players for Beekmantown were: Rhonda Covey, Jackie Duquette, Lisa Light, and Regina Kipp.

The Junior Varsity squad finished its season with a 7-7 record. This team pulled an upset victory over league leader NEC in the last game of the season. In the last inning, with two outs, the Eagles scored enough runs to win the game with a score of 16-15 and knock NEC out of first place. The outstanding players were Cheryl Burnell and Karen Howell.

(Varsity) ROW ONE: Faith Rock, Marcie Castine, Sharyl Peryer. ROW TWO: Laura Brown, Jackie Duquette, Lisa Light, Regina Kipp, Colleen Senecal.

(JVs) ROW ONE: Amy Prue, Laurie Nephew, Tracy Colvard, Sandy Dumas, Tammy Brunet, Marlene Fuller. ROW TWO: Amy Durocher, Tammy Duquette, Heather Weaver, Cheryl Burnell, Patty Rabideau, Kathy Luck, Karen Howell, Jill Shelters, Beth Botten.

girl's track

The 1979 Girl's Track team had a good season last spring. A great deal of Eagle Pride was shown and every girl did her part to contribute to an excellent team. Senior Carla Sherman went to the State Meet to represent the team in the mile run. Other runners showing a great deal of talent were Megan O'Connell, Mary Carlin, Elaine Guay, Beth Trombley, Gloria Trask, Shelley Sherman, Rita James, and Tracy Masters.

Team members who excelled in the shot put and discus were Peggy Varin and Judy Knott.

ROW ONE: Rita James, Judy Trombley, Bev Varin, Gloria Trask. ROW TWO: Julie Corron, Mary Carlin, Meg O'Connell, Beth Trombley, Terri Gates, Karen Gill. ROW THREE: Linda Gove, Tracy Masters, Sue Blow, Shelly Sherman, Arleen Reyell, Traci Moorcraft, JoAnn Tushford, Barb Covey, Karen Rivers.

baseball

The 1979 baseball season was a disappointment for both the players and their coach as they failed to manage a single win during the regular season. But if the team was a disappointment, several of the individual players can be proud of their own contricutions. Joe Corron for example, the team's third baseman, was an honorable mention on the *Press Republican* All-Star team. In addition, Joe pitched several strong games for the team as did Mike Sears and George Dyer. The graduating seniors were Rick Bishop, Joe Corron, George Dyer, Art Garrant, and Mike Higgins.

As this yearbook was going to press, the 1980 version of the Eagle's baseball team was starting its pre-season workouts. With an expanded roster and a new varsity coach, Mr. Butler, the team is optimistic about making Beekmantown a baseball contender once again.

ROW ONE: Tim Wells, Steve Sherman, Craig Daniels. ROW TWO: Kerry Case, Brian Prue, Arlen Favreau, Mark Peck, Andre Wild. ROW THREE: Jim Case, Tim Irwin, Paul Golden, Scott Rockwell, John Miller, David Gatlen. ROW FOUR: Jim Juneau, Terry Brown

Tennis: James Carlin, Andy Light, Kevin McGraw.

The 1979 boys track team had a fine season winning three meets and losing seven. These boys worked hard to develop excellent track and field abilities. These outstanding skills were clearly demonstrated by state qualifiers John Seabron in the 220 yard dash and Mike Barber in the shot put. The graduating seniors were Mike Barber, Terry James, Bryan Sherman and Jim Sherman.

sixth grade

This year's sixth grade class was involved in many activities. Their fall activities included a trip to the Miner Educational Days and participation in the magazine drive; they were responsible for fifty percent of the magazine sales! Consequently, it was a sixth grade homeroom which earned a pizza party for having the most sales. One highlight of the year was the field trip to Lake Placid in conjunction with the 1980 Winter Olympics. Christmas time was eventful for the sixth graders. They had a party, a dress-up day, and a dance and disco contest. Their spring softball tournament was a big success as were all the other activities throughout the year.

Mrs. Hackett's homeroom: Tonya Avanzato, Shariff Bayoumy, Brandon Brunelle, Dale Crosby, Terri Dame, William Davis, Chris Desautels, Jerry Deno, Jill Dominy, Michelle Flatt, Lisa Garrant, Lisa Hathaway, Kevin Peck, Kennith Rabideau, Daniel Rock, Jeff Rock, Tina Rougier, Melissa Spoor, Sonja Stanley, Connie St. John, Bruce Winterbottom, Julie Woodley. eighth grade

The class of 1984 had a great deal of spirit, as demonstrated during this year's homecoming. They placed second in both the float and class skit. With the help of their advisors, Mr. Johnson and Mr. Miller, they held a bake sale to raise money for their class banquet, which will be held at the end of this school year. The eighth graders had a great deal of fun in their final year of junior high and will carry the memories with them forever.

the freshman class

The activities of this years ninth grade class proved to be exciting and profitable. Their greeting card drive was a great success thanks to their advisors. Mrs. Luck and Mrs. Gibbons, whose guidance and help played a substantial role in their success. The Freshman class placed third in the Homecoming Parade with their float depicting the wild west.

the sophomore class

The sophomore class, consisting of about 275 students was the largest class of the 1979-80 school year. The class is already saving money for next year's prom. Their activities included poster sales, pom pom sales, and car washes. Their class advisors are Mr. Harris and Mr. Thompson. With the help of these advisors they made this year a memorable one.

the junior class

This year's Junior class had an exciting year. With their advisors, Mr. Davey and Mrs. Garrant, the class had many plans for the year as the yearbook went to press. Included in their plans were dances, sweat jacket sales, a donkey- basketball game, and a possible roller-skating night. The junior class added a great deal to Homecoming and Winter Weekend activities with their show of spirit and enthusiasm. The Juniors were planning an exciting prom this spring as the yearbook went to press.

dedication

mrs. allen

The Class of 1980 dedicates this volume of the *Crest* to Mrs. Margaret Allen. Mrs. Allen was most helpful in guiding us through our high school years. Always concerned with what we wanted to make of our lives, she offered the assistance we needed to chose the courses and programs which best reflected these goals.

As advisor to the "Scholars for Dollars" she aided in the selection and preparation of the participants. More importantly, she offered the moral support needed to keep the team's spirits high after their first round loss to defending champions MA.

We take this opportunity to offer our sincere thanks to Mrs. Allen for her support, guidance and concern

IF

The theme of our Junior Prom was "If". Against the romantic backdrop of Lake Champlain, "Prom Night" began with an enjoyable evening of dinner and dancing. At midnight, King Michael Sears and Queen Lisa Light were crowned with the class colors of Burgandy and pink. Scott Haskins and Lisa Peryer were Prince and Princess.

The revelers then left for Lisa Peryer's for the traditional party followed by breakfast at Marcie Castine's.

Many thanks to all who worked to make this Prom so special and most especially to Mrs. Garrant and Mr. Davey for their assistance.

Glenn Strong

What do we do when we remembers lost friends?

We Wonder.
We wonder what it would be like for our families without us.

We think.
We think of our friends that we have lost and we realize how fortunate we are to have our future to live to the fullest.

We feel.
Most of all, we feel the loss of our good friends. Though they were only with us a few short years, we miss them. We will always remember, and love them.

BONNIE NEPHEW

"Charlie" McLean was not a member of the Class of 1980 but there are few members of that class, or any other class, who were unaware of his presence. Mr. McLean had been a custodian in the Beekmantown School district since 1955, even before the main Junior-Senior High building was constructed. Over the years he assisted hundred of Students and their faculty advisors to conduct hundreds of dances, concerts, plays, athletic events and other such activities in the school building. Always friendly, always cheerful, Mr. McLean was loved by all who knew him. He is missed.
